dated 23-11-2015

To:

The General Manager (Finance),
BSNL Chennai Telephones,
Chennai – 600 010.

Respected Madam,

Sub: Settlement of grievances of Finance Personnel – reg.

---****---

While welcoming you into this commercially important Metro, we would like to bring the following grievances for your kind perusal, and early settlement aimed towards smooth functioning of Finance Wing.

- Looking after arrangement from JAO to AO and AO to CAO on need basis after scrutinizing the justification in the respective Business Area, due to introduction of CDR and ERP.
- Rotational transfer for JAOs of 2010 batch (Many of the JAOs who have completed more than 5 years in a particular seat requires change of work).
- Transfer and posting in the Finance wing is lacking transparency and we are pained to state that at times even a senior Officer is transferred three times a year not even observing any formalities and even a courtesy of getting the consent from the affected Officers is not obtained. We kindly request our GM-Finance to avoid this sort of embarrassment to our Senior and dedicated Executives hereinafter and follow a transparent procedure..

- All kind of request transfers, especially medical are to be considered.
- Uniform procedure of creation of posts in business areas with respect to AO (Pay) and AO (Personal Claims). For few of the BAs, AO(Personal claim) to be posted viz in SBA.
- Shifting of CAO (GSM Planning) office from Flower Bazzar to R.K.Nagar for smooth and well-organized functioning of accounts wing pertaining to GSM-Vertical which will provide additional working space in Flower Bazaar COBA.
- Strengthening of Defaulter pursuit cell by allotting a Vehicle for pursuit and granting of Allowance to TRIs.
- Posting an additional AO and JAO for pay process in CSC-Kush kumar Road as per the norms given by ERP Gazhiabad.
- It is brought to your kind attention that our earlier demand to go in for space Audit in the congested Anna Road Complex where our Finance Officers are cramped in a small work space specifically the sixth and seventh floor. A personal visit by the GM-Finance is requested once again to resolve this constraint.

Finally we also request you, madam to expedite the settlement of Bills that will improve our efficiency in services. We expect a clear direction from our GM-Finance for a time bound disposal of various bills.

With kind regards,

(P.UDAYASURIYAN)
CIRCLE SECRETARY
